Hudson C. Purdy

3265 River Summit Tr, Duluth GA 30097 | 770-289-0031 | hudsonp1234@gmail.com | United States Citizen

Objective

Electrical Engineering student at Georgia Tech seeking a Summer 2027 engineering internship. Possesses foundational experience in digital logic design, programming, and hardware design gained through rigorous coursework and projects. Eager to contribute technical skills to industry applications while exploring hardware design and microelectronics roles.

Education

Georgia Institute of Technology | Atlanta, GA *August 2026 – Present*
Bachelor of Science in Electrical Engineering *Expected Graduation, May 2030*

Skills

Hardware & Fabrication Tools: Cleanroom Processing Basics, Photolithography Concepts, Oscilloscopes, Multimeters, Breadboarding
Programming & Modeling: Python, C/C++, SystemVerilog/VHDL, Luau, MATLAB, SPICE
Professional Organizations: Georgia Tech Nanotechnology and Photonics Society, Georgia Tech HyTech Racing
Software Tools: Cadence (Simulations), Blender (3D Modeling), Roblox Studio
Communication: Customer service, Conflict Resolution, Team Coordination, and Clear Instructions.

Experience

Gwinnett County Parks and Recreation | Norcross, GA *May 2025 – Present*
Aquatic Center Manager
• Managed daily aquatic center operations, coordinating staff, facility procedures, and customer needs in a fast-paced environment.
• Supervised and coordinated lifeguard staff to maintain safety standards, ensure effective pool operations, and provide a positive experience for patrons.
Water Safety Instructor *September 2024 – Present*
• Taught swimming and water safety skills to students across varying ages and skill levels, adapting instruction to individual needs.
• Evaluated student performance and provided individualized feedback to improve swimming technique and water safety awareness.

Projects

Roblox Chicken Wave Defense Game *Roblox Studio 2026 – Present*
Game Developer / Systems Designer
• Designed and developed a grid-based tower-defense game featuring strategic building placement, progressive enemy waves, and player progression.
• Engineered interconnected gameplay and economy systems, including resource production, randomized acquisition, and dynamic pricing.

Leadership or Activities

Gwinnett County Youth Commission | Gwinnett County, GA *May 2024 – May 2026*
Youth Commissioner
• Represented local youth perspectives in discussions concerning community issues and initiatives, collaborating with other commissioners to develop and communicate ideas.
• Participated in civic engagement and community initiatives while working with peers and local leaders to address issues affecting the youth community.
Duluth High School Swim Team | Duluth, GA *May 2025 – May 2026*
Team Captain
• Led and supported teammates throughout the season, promoting accountability, teamwork, and a positive team environment.
